Building Communities · Enabling Growth

THE OPPORTUNITY · WHY JHAJJAR

An Epicentre of Future Growth

South City Greens sits at the intersection of NCR's newest industrial corridors — benefiting from Gurugram's spillover and the rising demand of the Jhajjar industrial belt.

Reliance MET City

600+ companies, 40,000+ jobs, a projected 10-40 lakh residents — vast housing demand next door.

Green Corridor

A proposed six-lane Gurugram-Jhajjar corridor: Gurugram ~20-25 min, IGI ~40-55 min.

The Wealth Corridor

Sectors 36 & 37 — Jhajjar's prime residential sectors — linked by the 75 m road through Greens.

World-class Ecosystem

AIIMS at Bhadsa, an upcoming International Cricket Stadium, KMP Expressway and HORC.

A Self-sufficient City

District Headquarters and Police Commissionerate for strong law and order.

KMP & HORC

A major economic and freight loop across North India, on Jhajjar's doorstep.

Utilities	STP & WTP; underground electrical cabling
Community facility	Approximately 2 acres, with a badminton court
Distinction	Largest single-licence plotted development in Jhajjar

THE VISION

A Greener Way to Live

South City Greens is a premium plotted township of 380 residential plots, spread across 20 acres in Sector 36, Jhajjar — the largest single-licence development in the district.

Developed under the Deen Dayal Jan Awas Yojana, it is planned around greenery, open space and precisely engineered infrastructure — a community built cell by cell, like a honeycomb, for families to grow in prosperity.

Directly connected to the upcoming 75 m road of Master Plan 2031, it offers well-planned plots for families and investors seeking a greener, future-ready address.

WHY CHOOSE SOUTH CITY GREENS

Prime location in Sector 36, Jhajjar

The Investment Case

Industrial Growth Engine

Minutes from Reliance MET City and Indospace Park — proximity to major employment hubs drives sustained demand and capital appreciation.

Prime Expressway Connectivity

Swift access to the KMP and Dwarka Expressways and the Green Corridor keeps the investment future-ready.

Established Social Fabric

A mature ecosystem — AIIMS (Badsa), reputed schools and multispecialty healthcare — within a 20-minute radius.

Developer Discipline

The agility of a private developer with the rigour of an infrastructure builder — DTCP-compliant and milestone-based.

A FOUNDATION OF TRUST

Build Your Future. Right Here.

Developed under DTCP Licence 84 of 2026 · RERA on registration. Approval and licensing documents are available for inspection at our Corporate Office. Bank loan facility available from nationalised banks.
